World Day for Grandparents and the Elderly 2022

It's time to 'Save the Date' for the World Day for Grandparents and the Elderly which this year will be held on Sunday 24 July. The CGA is currently working to update and refresh the resources we prepared for last year. These will be finalised as soon as we know what this year's theme will be.

We would love your input into this year's celebration. Is there a resource or an initiative you did last year that you would like to share with others? Is there something more the CGA might do for this year's celebration? Please do let us know by emailing us info@catholicgrandparentsassociation.org.

A discussion topic for February Ministry Meetings

A recent article that we came across shared some of the words of wisdom that are passed down from generation to generation - especially from Grandparents to their grandchildren. What are the gems of wisdom that are shared within your families? This might be a good topic for your meetings this month. As always we would love to hear what comes up in response. Please let us know and please also feel free to offer us a discussion topic for future months which we will include in this resource leaflet. Email: info@catholicgrandparentsassociation.org

Reflections from the Grandparents' Faith Café

One of the most wonderful aspects of the monthly Grandparents' Faith Café meetings is the sharing of a reflection by a Grandparent. We have had some really inspirational and uplifting pieces shared over the course of the past year and we are now gathering these together on the CGA website. We invite you to stop by the website to read, download and share these reflections within your group. We also invite you to consider sharing a reflection of your own. Get in touch with us by email or through the website www.catholicgrandparentsassociation.org.
